IEP Announces New Manager

Non-profit work and travel organisation International Exchange Programs (IEP) today announced the departure of its Executive Director, Brad Holland.

Brad joined IEP in 2005 and has since played a crucial role in the continued growth and success of IEP's working holiday and volunteer programs. Brad has also been actively involved in promoting Victoria as a leading destination for inbound working holiday makers and has been a board member for the Backpacker Operators Alliance of Victoria (BOAV) since early 2009.

IEP's Marketing Manager, Tennille Balaz will be taking on the role of General Manager from the end of this month. Tennille joined IEP's team in January 2009 and has since managed the promotion, operation and development of IEP's programs.

IEP is Australia's leading non-profit work and travel organisation, specialising in sending young Australians on working holidays overseas. IEP currently operates fourteen programs across eight destinations with continued growth anticipated for the year ahead.
