## Pre-existing Medical Conditions

### Please read this section carefully.

Travel Insurance only provides cover for emergency Overseas medical events that are unforeseen. Medical conditions that were pre-existing at the time of the policy being issued are not covered, unless they are a condition that we expressly agree to cover.

If you have a Pre-existing Medical Condition that is not covered, we will not pay any claims arising from, related to or associated with that condition. This means that you may have to pay for an Overseas medical emergency which can be prohibitive in some countries.

### What is a Pre-existing Medical Condition?

A Pre-existing Medical Condition means:

- a) An ongoing medical or dental condition of which you are aware, or related complication you have, or the symptoms of which you are aware;
- b) A medical or dental condition that is currently being, or has been investigated, or treated by a health professional (including dentist or chiropractor) at any time in the past, prior to policy purchase;
- c) Any condition for which you take prescribed medicine;
- d) Any condition for which you have had surgery;
- e) Any condition for which you see a medical specialist; or
- f) Pregnancy.

The above definition applies to you, your Travelling Companion, a Relative or any other person.

#### Examples of three (3) common Pre-existing Medical Conditions are set out below:

##### Cardiovascular disease:

Medical conditions involving the heart and blood vessels are collectively called cardiovascular disease (CVD). All such conditions are interrelated.

If you have ever needed to see a specialist cardiologist, or been diagnosed with a form of CVD such as (but not limited to):

1. Aneurysms
2. Angina
3. Cardiomyopathy
4. Cerebrovascular Accident (Stroke)
5. Disturbances in heart rhythm (cardiac arrhythmias)
6. Previous heart surgery (including valve replacements, bypass surgery, stents)
7. Myocardial infarction (heart attack)
8. Transient Ischaemic Attack

and you do not purchase adequate cover for CVD, you may not be covered for any claims relating to the heart/cardiovascular system (including heart attacks and strokes).

If any of these conditions are expressly excluded from the policy, all CVD is excluded.

##### Warfarin Use:

Taking the medication Warfarin (also known under the brand names of Coumadin, Jantoven, Marevan, and Waran) has a complex range of serious complications and side effects. These risks are in excess of those associated with the underlying condition for which you take this medication.

If you are currently prescribed the drug, you must complete a Medical Declaration Form (even if you decide not to apply for cover for a Pre-existing Medical Condition) and we must agree in writing to provide cover.

If you do not submit a completed Medical Declaration Form, the General Exclusion in clause 17 will apply and you will not have cover.

### Chronic Lung Disease:

If you have ever been diagnosed with a Chronic lung disease including (but not limited to) Emphysema and Chronic Bronchitis, Bronchiectasis, Chronic Obstructive Airways Disease (COAD), Chronic Obstructive Pulmonary Disease (COPD) or Asthma (if you have another lung disease and are 60 years of age or over at the date of policy issue), and you do not purchase adequate cover for your respiratory disease, you may not be covered for any claims relating to a new airways infection.

If a Chronic lung condition is expressly excluded under your policy, all new respiratory infections are also excluded.

If you have a Pre-existing Medical Condition and:

- (i) you do not apply for cover (or you apply for cover and we do not agree to provide cover); or
  - (ii) you do not pay the relevant additional premium,
- we **will not** pay any claims arising from or related to your Pre-existing Medical condition.

### PLEASE ALSO READ THE “GENERAL EXCLUSIONS APPLICABLE TO ALL SECTIONS” ON PAGES 53 TO 55 AND THE SECTION-SPECIFIC EXCLUSIONS ON PAGES 37 TO 52.

### You cannot apply for cover for conditions outlined in Group 1 (pages 10 & 11 of this PDS).

We do not offer any cover at all under Plans C, E or F for any Pre-existing Medical Conditions except as specified in Group 2.

A Medical Declaration form is available from your travel agent or online at [www.chittravelinsurance.com.au/downloads/medical\\_formu81.pdf](http://www.chittravelinsurance.com.au/downloads/medical_formu81.pdf). In most cases it can be completed entirely by you.

In some cases we will also need a Doctor's Declaration to be completed by your regular treating doctor, but this is explained in more detail in the Medical Declaration Form.

### Plan E

#### Non-Residents Cover (for travel to and within Australia)

This cover is only available to non-Australian Residents travelling to and within Australia who are aged 80 years and under at the date of Certificate issue.

This policy does not cover any event or occurrence where providing such cover would constitute "health insurance business" as defined under the Private Health Insurance Act 2007 (Cth).

Health insurance business as defined under the Private Health Insurance Act 2007 (Cth) includes, but is not limited to, payment of fees or charges for treatment of travellers from countries that have a Reciprocal Health Agreement with Australia. Reciprocal Health Agreements currently exist with New Zealand, Italy, the Netherlands, Norway, Sweden, Finland, Malta, the Republic of Ireland and the United Kingdom.

If you require clarification contact CHI Travel Insurance on 1800 997 810 or (02) 9997 4810, before you apply.

If the delay is for any other reason, we must receive your request to extend cover at least 7 days before your original policy expires if you send your request by post. #### **JURISDICTION AND CHOICE OF LAW**

This contract of insurance is governed by and construed in accordance with the law of Queensland, Australia and you agree to submit to the exclusive jurisdiction of the courts of Queensland. You agree that it is your intention that this Jurisdiction and Choice of Law clause applies.

#### **YOUR DUTY OF DISCLOSURE**

Before you enter into this policy with us, the Insurance Contracts Act 1984 (Cth) requires you to provide us with the information we need to enable us to decide whether and on what terms your proposal for insurance is acceptable and to calculate how much premium is required for your insurance.

You will be asked various questions when you first apply for your policy. When you answer these questions, you must:

- give us honest and complete answers;
- tell us everything you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

If you vary, extend, reinstate or replace the policy your duty is to tell us before that time, every matter known to you which:

- you know; or
- a reasonable person in the circumstances could be expected to know,

is relevant to our decision whether to insure you and whether any special conditions need to apply to your policy.

You do not need to tell us about any matter that:

- diminishes our risk;
- is of common knowledge;
- we know or should know as an insurer; or
- we tell you we do not need to know.

### Who does the Duty apply to?

Everyone who is insured under the policy must comply with the Duty of Disclosure.

### What happens if you or they breach the Duty?

If you or they do not comply with the Duty of Disclosure, we may cancel the policy or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed and pay nothing.

### COMPENSATION ARRANGEMENTS

Allianz is authorised to carry on general insurance business in Australia. We are supervised by the Australian Prudential Regulation Authority (APRA). We are subject to the prudential requirements of the Insurance Act which are designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system.

Because of this we are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

The protection provided under the Federal Government's Financial Claims Scheme (the Scheme) applies to the policy. In the unlikely event Allianz was unable to meet its obligations under the policy, persons entitled to make a claim under insurance cover under the policy may be entitled to payment under the Scheme (access to the Scheme is subject to eligibility criteria).

Information about the Scheme can be obtained from the APRA website at <http://www.apra.gov.au> and the APRA hotline on 1300 13 10 60.

## Your Policy Cover

### YOUR CHOICES

Under the policy, you choose the cover you require based on your travel arrangements.

Whether you choose:

- A Single, Duo or Family cover
- Plans A, B, C, D, E or F

depends on the type of cover you want and are eligible to purchase.

### COVER TYPE

You can choose one of the following cover types:

**Single** – Covers you and your Dependants travelling with you. (this does not apply to Plan D (Frequent Traveller) - see page 28 for details).

**Duo** – Covers you and your Travelling Companion listed as covered on your Certificate of Insurance and intending to travel with you on your Journey. Duo cover does not provide cover for Dependants. We issue one Certificate of Insurance, however, you both have cover as if you are each insured under separate policies with Single benefit limits per insured person. *This option is not available under Plan D (Frequent Traveller).*

**Family** – Covers you and the members of your family travelling with you. The only members of your family who can be included are your spouse, your legally recognised de facto, your children/grandchildren. However, all children/grandchildren must be dependant and under 21. The benefit limits for Family cover apply to the total of all claims combined, regardless of the number of persons the claims relate to. *This option is not available under Plan D (Frequent Traveller).*

**The remainder of this section outlines what “We Will Pay” and what “We Will Not Pay” under each benefit in the event of a claim.**

### SECTION 1: CANCELLATION FEES AND LOST DEPOSITS

**You have this cover if you choose Plan A, B, D, E or F.**

#### 1.1 WE WILL PAY

- We will pay your cancellation fees and lost deposits on travel and accommodation arrangements that you have paid in advance and cannot recover in any other way if your Journey is cancelled or shortened at any time through circumstances neither expected nor intended by you or outside your control.
- We will pay the reasonable costs of rescheduling your Journey because something unforeseen and outside of your control occurs. The most we will pay for rescheduling your Journey is the cost of the cancellation fees and lost deposits that would have been payable under 1.1 a), c) and d) had your Journey been cancelled.
- We will pay the travel agent's cancellation fees up to \$1,500 for Single cover, \$1,500 per person for Duo cover or \$3,000 for Family cover, where all monies have been paid or the maximum amount of the deposit has been paid at the time of cancellation. However, we will not pay more than the level of commission or service fees

normally earned by the agent, had your Journey not been cancelled. Documentary evidence of the travel agent's fee is required.

- We will pay you for loss of frequent flyer or similar air travel points you used to purchase an airline ticket following cancellation of that air ticket, if you cannot recover the lost points from any other source. The cancellation must be due to unforeseen circumstances outside of your control.

We calculate the amount we pay you as follows:

- The cost of an equivalent class airline ticket based on the quoted retail price at the time the ticket was issued, less your financial contribution toward the airline ticket;

multiplied by:

- The total number of points lost divided by the total value of points used to obtain the ticket.

If, as a result of a Pre-existing Medical Condition, a Relative of yours is hospitalised in Australia or New Zealand, or dies in Australia or New Zealand after the policy is issued, and at the time of policy issue you were unaware of the likelihood of such hospitalisation or death, the most we will pay under this Section is as follows:

- \$2,000 for Single cover
- \$2,000 per person for Duo cover
- \$4,000 for Family cover

**The maximum amount we will pay for all claims combined under this Section for Single and Family cover is shown under the Table of Benefits for the Plan you have selected. The amount applies to the total of all claims combined, regardless of the number of persons the claims relate to.**

**For Duo cover, the Table of Benefits shows the maximum amount we will pay for all claims combined under this Section. The amount applies to each person.**

#### 1.2 WE WILL NOT PAY

- We will not pay if you were aware of any reason, before your period of cover commenced, that may cause your Journey to be cancelled, abandoned or shortened.
- The death, Injury or Sickness of your Relative Arising from a Pre-existing Medical Condition, except as specified under Section 1.1 e).
- You or your Travelling Companion changing plans.
- Any business, financial or contractual obligations. This exclusion does not apply to claims where you or your Travelling Companion are made redundant from full-time employment in Australia provided you or they were not aware that the redundancy was to occur before you purchased your policy.
- A tour operator or wholesaler being unable to complete arrangements for any tour because there were not enough people to go on the tour.
- Delays or rescheduling by a bus line, airline, shipping line or rail authority.
- The financial collapse of any travel agent, transport, tour or accommodation provider.
- The mechanical breakdown of any means of transport.
- An act or threat of terrorism.

- The death, Injury or Sickness of any person who resides outside of Australia or New Zealand, who is not listed on your Certificate of Insurance.

# Claims

## HOW TO MAKE A CLAIM

You must give us notice of your claim as soon as possible by completing a claim form (available online or supplied by our Client Services department – refer to the contact details on the back cover of this PDS), and posting it to the address shown on the claim form. If the claim form is not fully completed by you, we cannot process your claim and we can reduce your claim by the amount of prejudice we have suffered because of the delay.

You must give us any information we reasonably ask for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of ownership.

You must co-operate with us at all times in relation to the provision of supporting evidence and such other information as we may reasonably require.

- a] For medical, Hospital or dental claims, contact Allianz Global Assistance as soon as practicable.
- b] For loss or theft of your Luggage and Personal Effects, report it immediately to the police and obtain a written notice of your report.
- c] For damage or misplacement of your Luggage and Personal Effects, caused by the airline or any other operator or accommodation provider, report the damage or misplacement to an appropriate official and obtain a written report, including any offer of settlement that they may make.
- d] Submit full details of any claim in writing within 30 days of your return.

## CLAIMS ARE PAYABLE IN AUSTRALIAN DOLLARS TO YOU

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

## DEPRECIATION

Depreciation will be applied to claims for Luggage and Personal Effects at such rates as reasonably determined by Allianz Global Assistance.

## YOU MUST NOT ADMIT FAULT OR LIABILITY

In relation to any claim under this policy you must not admit that you are at fault, and you must not offer or promise to pay any money, or become involved in litigation, without our approval.

## YOU MUST HELP US TO RECOVER ANY MONEY WE HAVE PAID

If we have a claim against someone in relation to the money we have to pay under this policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform us of such third party.

## IF YOU CAN CLAIM FROM ANYONE ELSE, WE WILL ONLY MAKE UP THE DIFFERENCE

If you can make a claim against someone in relation to a loss or expense covered under this policy and you do not get paid the full amount of your claim, we will make up the difference. You must claim from them first.

## OTHER INSURANCE

If any loss, damage or liability covered under this policy is covered by another insurance policy, you must give us details.

If you make a claim under one insurance policy and you are paid the full amount of your claim, you cannot make a claim under the other policy.

If you make a claim under another insurance policy and you are not paid the full amount of your claim, we will make up the difference. We may seek contribution from your other Insurer. You must give us any information we reasonably ask for to help us make a claim from your other insurer.

## SUBROGATION

We may, at our discretion undertake in your name and on your behalf, control and settlement of proceedings for our own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy. You are to assist and permit to be done, all acts and things as required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

## RECOVERY

We will apply any money we recover from someone else under a right of subrogation in the following order:

- 1 To us, our administration and legal costs arising from the recovery.
- 2 To us, an amount equal to the amount that we paid to you under the policy.
- 3 To you, your uninsured loss (less your Excess).
- 4 To you, your Excess.

Once we pay your total loss we will keep all money left over. If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

## BUSINESS TRAVELLERS – HOW GST AFFECTS YOUR CLAIM

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

## TRAVEL WITHIN AUSTRALIA ONLY

If you are entitled to claim an input tax credit in respect of your premium you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under this policy.

## FRAUD

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud by calling Allianz Global Assistance on 1800 453 937. All information will be treated as confidential and protected to the full extent under law.

## BEFORE TRAVEL, CONSULT YOUR HEALTH PROFESSIONAL TO DISCUSS:

- Itinerary
- Duration of travel
- Style of travel
- Past medical history
- Vaccination requirements
- Pregnancy
- Allergies
- Pre-existing Medical Conditions
- Disease prevention
- Medication (*ensure that any medications taken with you are legal in the country you will visit – make sure you carry a letter of approval from your doctor/dentist for any essential medication you need to take with you*)

## TIPS FOR LONG DISTANCE TRAVELLERS

- While travelling, regularly exercise the lower limbs to encourage blood flow
- Drink plenty of non-alcoholic drinks to prevent dehydration

## OTHER USEFUL TIPS

- Carry a small first-aid kit with you containing a packet of adhesive dressings, some insect repellent, antiseptic cream and water sterilisation tablets (this takes up little space and could be useful). Emergency medical travel kits are available.
- Unless you know the water you are using is safe (bottled water usually is), sterilise all drinking water either by boiling or using sterilisation tablets.
- It is unwise to have your skin pierced (ie. acupuncture, tattooing, ear piercing, etc.) unless you can be sure that the equipment used is sterile – a needle wiped with an alcohol swab is not necessarily sterile. Keep a note on your person advising of any significant medical condition affecting you (eg. diabetes, angina pectoris, haemophilia).
