Press Release - 19/08/11 - For Immediate Release

Dream Jobs + Dream Locations = An Opportunity Not to be Missed!

It's no secret that Australia's geographical isolation means that for most young Australians, when they take that adventure of a lifetime, they take it with the knowledge that a return to our fair shores could be many years away. One-way tickets are in vogue and worried parents are being replaced by those excited about their kids realising their dreams. There's no better way to experience the different cultures that the world has to offer, than the all-encompassing working holiday.

Melbourne-based International Exchange Programs (IEP) is Australia's leading not-for-profit organisation specialising in working holidays and each year assists hundreds of eager young Aussies to get set up for the adventure of a lifetime. They help participants get set up in Canada, the United States, Ireland and the UK, volunteer in Peru, South Africa, Cambodia & the US, and also run seasonal programs like their *Summer Camp USA* program, scheduled to open on September 5 for the upcoming 2012 season.

Staffed by a small, dedicated team of ex-working holiday-makers, IEP's commitment to participants is one of the organisation's strengths, and with a Free Information Session due to take place in their La Trobe St office on Wednesday 31 August, there has never been a better time to discover what options are out there for international travel.

Communications Editor - and ex-*Summer Camper* - Dylan Stewart expands on the importance of these Information Sessions: *"With knowledgeable staff members on hand to answer any questions, attendees get the chance to not only learn about their potential destinations & how IEP can help them get there, but also to put a face to a name for all future correspondence. Because of IEP's small team size, our emphasis on customer service is something that sees our organisation recommended to friends and siblings all the time."*

IEP's Free Information Sessions will be held on Wednesday 31 August at level 3, 362 La Trobe St, Melbourne, 3000.

6pm: *Summer Camp USA*. For those aged 19-28 who are interested in working with children at Summer Camps in the United States in 2012.

7pm: *Work Britain, Work Canada, Work USA & Work Ireland*. For people aged 18-30 looking to head overseas to the UK, Canada, USA or Ireland.

Applications for *Summer Camp USA 2012* open September 5, and all other programs are open year-round. For any more information on IEP's programs, and to RSVP to either of the information sessions, please contact IEP on (03) 9329 3866 or info@iep.org.au.
